The very purpose of **Easter** is to remind us, that no matter what we face today, what we've been through, or what uncertainties tomorrow may hold, Christ is risen and is our Hope. He conquered death, He makes all things new.

He breathes new life, so that we can live...free. You can try to bury Power, but it won't stay there. You can try to bury Truth, but it is not dead. You can try to bury Love, but it cannot be contained. God's not dead.

And we're not alone. Not ever. He lives! May we allow that truth to soak in deep as we walk through our life's journey.
